

The Boston Tea Party!
Sung to the tune of
"Row, Row, Row Your Boat"

The Sons of Liberty, they caused the Boston Tea Party
They went to the Harbor and got on the boats, and then they dumped the tea!
The Patriots dressed as Indians to disguise themselves
so that they wouldn't have to spend years and years in cells.
The British refused to send back the ships that were filled with tea
so the Sons of Liberty, they dumped the tea with glee!
The Sons of Liberty, they caused they Boston Tea Party
They went to the Harbor and got on the boats, and then they dumped the tea!
This was caused by the Tea Act, thought of by the King.
Upsetting the Patriots very much, it made their anger ring!
The Sons of Liberty, they caused the Boston Tea Party
They went to the Harbor and got on the boats, and then they dumped the tea!
This caused the Intolerable Acts to punish the Massachusetts colony
All because they had to go and boycott British Tea.
The Sons of Liberty they caused the Boston Tea Party,
They went to the Harbor and got on the boats, and then they dumped the tea!
